SUBJECT : About Concession Agreement signed with Republic of Congo

On 21 January 2021, Aksa Enerji Üretim A.Ş.'s 100% subsidiary Aksa Energy Company Congo has signed a concession agreement with Republic of Congo about obtaining operating rights of a 50 MW natural gas power plant in the city of Pointe-Noire. Accordingly, Aksa Energy Company Congo will increase the existing installed capacity of 50 MW to 100 MW with additional investment. Natural gas is expected to be supplied from Congo's local gas reserves. Electricity generated is expected to be exported to Democratic Republic of Congo via existing transmission lines.

Meanwhile, as also announced in our Company's Public Disclosure dated 22 October 2019, our Company had obtained provisional licenses regarding two natural gas-fired projects for electricity generation and sales in the Republic of Congo. Our Company is also working on these projects and further developments will be shared with the public in a timely manner.

Kind regards,

We declare that the above disclosures are in accordance with the principles set out in the Communiqué Serial: VIII, No: 54 of the Capital Markets Board and fully reflect the information we have received on this matter; the information is consistent with our books, records and documents; and that we have shown all the necessary efforts to obtain accurate and complete information on the subject matter and we are responsible for these statements.
